May 30- The starting time for racing action this week at the Seymour Speedway will be moved back 1 hour, to 6 PM, starting this Sunday night, June 2 and for the remainder of the 2013 season.

This means that the pit will now open at 3 PM with the grandstand at 4 PM.

The weekly schedule will still boast six big divisions on the Sunday night programs. The Budweiser IMCA Modifieds, Coors Light IMCA Stock Cars, IMCA Sport Mods, Street Stocks, 4 Cylinders and Fastrack Late Models will do battle on the 1/3 mile banked clay oval.

Contractor's Supply and Equipment is the event sponsor this week. Last week 139 cars checked in and offered fans some fantastic racing.

Besides the great weekly racing there are four special events on the schedule yet this summer.

The second leg of the Summer Holiday Classic series returns on Sunday June 30 and will again feature the WDLMA Late Models.

The new Badger Stock Car tour event will kick off a three night series on Wednesday night, July 17. The tour continues on Thursday night at the Thunder Hill Speedway in Sturgeon Bay and wraps up on Friday night at the Speedzone in Oshkosh. The Seymour program will also have the IMCA Sport Mods on the schedule with racing starting at 7 PM.

The Badger Modified Tour comes in to Seymour on Sunday night August 4 along with the other regular divisions.

Labor Day weekend on September 1st brings the final Holiday Classic program and the final night of the regular season.

Summer is still trying to start but the racing action at the Seymour Speedway is hotter than ever every Sunday night.
