After this weeks program three events remain on the 2013 schedule.

The Trailer Race has been rescheduled for August 18.

The Faster Pastor 4 Cylinder race will take place on August 25. This will also be the final point night for all of the IMCA Divisions.

Labor Day weekend, September 1 will be the final Summer Holiday Classic Series race of the season headlined by the WDLMA Late Models. The Street Stock and 4 Cylinder divisions will run their final point night. The IMCA divisions will also compete but in a non-point night.

N.E.W. DIRT would like to THANK everyone for the continued support throughout the season. We know you have other choices and appreciate you choosing to spend your Sunday nights with us. We invite you all to join us for the final four races of the 2013 season at the Seymour Speedway.
