Seymour, May 3, 11:30 AM - N.E.W. DIRT officials are excited to announce that the 31st season opener WILL take place tomorrow, Sunday May 4, at the Seymour Speedway.

The sun and wind today, Saturday and favorable forecast for Sunday led to the final decision.

The track will be in great shape. The only concern to this point was the pit areas, but they should shape up well over the next couple days. There may some spots but everyone will have to be cautious.

The back gate will open at 3 PM Sunday. Please arrive early, as it always takes longer on opening night to get paperwork and the draw completed.

Draw cut off is 4:30.
