(Seymour, WI)- On a night with hot weather conditions feature winners stayed cool behind the wheel. Brian Mullen picked up his second straight Budweiser IMCA Modified feature win. Chad Guyette started fifth in the IMCA Northern Sportmod feature but would still lead the opening lap as he shot through the middle of the pack. Guyette would lead through a series of 5 cautions in the first 3 laps. Brian Lautenbach would use the bottom groove to try and reel in Guyette on the restart. Lautenbach would get to the back bumper and ultimately make the pass in the middle groove on Guyette. Lautenbach would lead until more cautions would make for a time limit green, white, checker finish. Lautenbach would cruise to the win with Guyette finishing second. Brad Theys would edge Jeremy Cota for third having Cota settle in at fourth street. Eric Arneson would finish fifth.

Phil Hiles led the opening lap of the Street Stock feature with Matt Drawenek hot on his heels. Gary Kasperek would make his way to second and run down Drawenek. A Stephen Hiles spin on lap 10 would make the yellow fly. Kasperek stayed hot on his heels on the caution and appeared to be a touch faster. Kasperek tried the highline numerous times but Drawenek stayed tough down low. Drawenek kept Kasperek at bay and picked up the win. Kasperek settled for second. Dan Gracyalny was third, Joe Schwister fourth and Shawn Haydon fifth.

Justin Vannieuwenniven would capture the feature win in the 4 Cylinder feature after early
