(Seymour, WI) - A seventh win in the IMCA Modified division has netted Jason Czarapata to his first Seymour Super Speedway IMCA Modified Championship. Other winners included Brandon Czarapata (IMCA Stockcars) Jeremy Cota (IMCA Sportmods) Derek Lecker (Street Stocks) and Calvin Stueck (4 Cylinders).

Tony Wedelstadt jumped out in front of the IMCA Modified feature and looked to be the man in charge. Wedelstadt ran up on top of the track with Kyle Kudick and Jason Czarapata right behind. Wedelstadt would continue to lead until 7 laps to go when he spun in front of the field bringing out the caution flag. Kudick would be next as leader and would spin in the same corner on the very next lap to bring out a yellow. Czarapata inherited the lead and pulled away late to pick up the win. Czarapata has a 107 point lead with 2 nights remaining in the IMCA Modified point chase. He has seven wins on the season and is the 2012 IMCA Modified champ. Czarapata was trailed at the checkers by Dave Hoerning, Eric Arneson and Marcus Yarie.

Josh Mroczkowski jumped out in front and pulled away in the early stages of the IMCA Stockcar feature. Brandon Czarapata and Shawn Wagner weaved in and out and found their ways to second and third. Czarapata and Wagner would run the top of the track and get to the back bumper of the leader when the caution came out with 8 laps remaining. Czarapata blew past Mroczkowski and cruised to his 9th straight feature win and 11th of the year. Wagner won a last lap battle with Devon Snellenberger for third. Mroczkowski ran a strong top 4 with Brian Ambrosius fifth. Czarapata earned a clean sweep on the weekend winning at Luxemburg, Shawano and Seymour.
