Seymour, July 9- At the drivers meeting last Sunday night at the Seymour Speedway, N.E.W. DIRT officials announced that starting this week, July 14, and for the rest of the season, the weekly drivers payoff will be increasing for all divisions.

With the recent changes to the weekly lineup, officials discussed a couple options on how to enhance the program, and voted to adopt the overall payoff change.

Club President, Tom Schmidt, indicated the club has been working very hard this year to get the Seymour Speedway back to the premier facility and this is a step in the right direction. The drivers appreciate the changes that have been made and this is a way to start to show our appreciation for that support.

Drivers will be given copies of the change at sign in this week.
